Executive Summary 要点

Advancing Food Safety in China and Globally 提升中国和全球的食品安全

The GFSI Focus Day aims to provide Chinese stakeholders in the food industry an opportunity to find out more about the Global Food Safety Initiative but it will also serve as a unique opportunity for networking and knowledge exchange.

The GFSI China Focus Day 5th Edition follows on from the success of GFSI China Focus Day 2012 - 2015 events, to continue raising awareness around the benefits of GFSI. It is fortunate that there are board members of GFSI and GFSI Japan Local Group members came to China, with CFSI members, showing the significance to Chinese market and sharing in-depth experience, case studies and best practices.

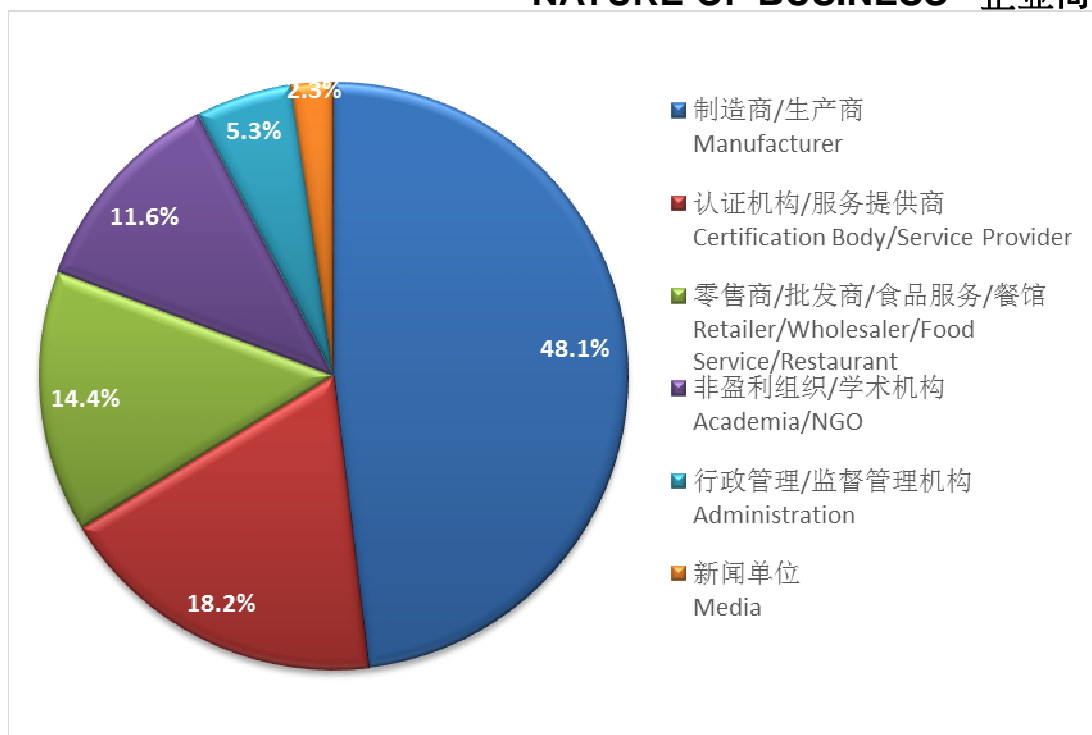

GFSI中国主题日活动旨在为中国食品行业的利益相关者提供机会，更多地了解GFSI，同时也是一次绝佳的机会进行社交联谊和交流分享。第五屆全球食品安全倡议中国主题日活动是在前几届活动成功举办的基础上，继续围绕GFSI能带来的益处进行深入了解探讨。本次活动邀请到了GFSI董事会成员、GFSI日本工作组成员和CFSI成员一起交流、分享成功案例和最佳实践。
